Dear Ms. Dickert:

It has come to the attention of my clients, Dan Parisi, Whitehouse.com Inc., Whitehouse Network LLC, and White House Communications Inc., that Ingram or its affiliate, Lightning Source Inc., may be involved in the distribution of a book written by Lawrence Sinclair, a/k/a Larry Sinclair, in which he makes defamatory and other improper statements about my clients that have damaged Mr. Parisi's reputation and the business of the other plaintiffs.

My clients demand that Ingram and Lightning Source immediately cease and desist from publishing or assisting in the publishing of this book or any promotional materials regarding the allegations in the book that are false and misleading. If we are somehow mistaken and your companies do not have any involvement with Mr. Sinclair's book, please provide us with that information immediately.

Very truly yours,

Richard J. Oparil
